ABOUT THE COLLEGE

Fateh Chand College was founded in 1935 in Lahore by an eminent philanthropist Rai Fateh Chand. He was a visionary who regarded education as the most potent instrument of women's empowerment. Through education he sought to promote feminism which would commit women to Indian ethos and culture and yet help them develop a cosmopolitan and progressive outlook as well. The college is a testimony to his vision and indomitable spirit. The college is affiliated to Kurukshetra University. Situated in the heart of the city, the college has a vast campus with state-of-the-art infrastructure. Fateh Chand College For Women, Hisar has the vision to empower young women, in pursuit of knowledge with spirit of academic excellence, judiciousness to value moral and cultural ethos and to facilitate for them all round development, so that they are able to carve a niche for themselves confidently in this globally competitive world and make a mark and contribute as proud citizens of the country with the spirit of patriotism and commitment.

ABOUT THE SEMINAR

Women Empowerment is a global issue. The women across the world are placed at a position of advantage. They are literally on the move. They are paying heed to their inner voice. India today is at the verge of taking off a big leap as the world leader. Women empowerment is a prerequisite for creating a good nation. Education is the most important and indispensable tool for women empowerment. It makes women aware of their rights and responsibilities. Empowering women socially, politically, economically, educationally and legally is not easy but at the same time it is not impossible too. All we need is a concentrated effort focused in the right direction.

The seminar is a study and analysis of strategies which can enable them bring harmony between their traditional role and their desire for emancipation and advancement.
